(Administration Division)

Room No. – 234, North Block, New Delhi
Dated, the 25th February, 2019

Subject: Internship Scheme of the Department of Economic Affairs-regarding.

Department of Economic Affairs has the mandate to carry out not only the economic diplomacy but also to build and maintain the economic health of the country, which essentially envisages close interaction with various financial institutions, both domestic and international. There is also interest in students of various prestigious economics, financial management and economic administration institutions from India and abroad to do internship with the Department.

2. An Internship Scheme can be beneficial to both the Department and the intern. The Internship Scheme will enable the interns get exposure to pressing economic issues or specific matters of economic importance relating to regulators, financial institutions, both domestic and international.
3. Interns from reputed Economic Institutes/ Schools are expected to add value to the functioning of the Department by investigating very specific issues and preparing reports for senior officers in specific divisions. The Department could also get familiar with latest thinking and developments on various issues which the students are studying.
4. DEA shall assign to an intern specific assignment from an area administered by the Department. Such study could be related to Capital Markets, Economic Reforms at macro level, Development Assistance to India from multilateral/Bilateral financial institutions/ countries, Exchange Management, Foreign Investment in India and Indian Investment abroad, Monetary Policy, Fiscal Policy, Tariff Policy, Domestic Regulations, Inflation Management, Debt Market Operation and Debt Management (External & Domestic), Small Savings, Modernization of Budget Documents, Bilateral Investment Treaties, Infrastructure Financing, etc.
