**E GOVERNANCE IN DRTs/ DRATs**

New Delhi: Shravana 04, 1934  
July 26, 2012

Department of Financial Services , Ministry of Finance is considering implementation of e-governance in the Debt Recovery Tribunals (DRTs)/Debt Recovery Appellate Tribunals (DRATs) for which the services of National Institute of Smart Governance (NISG) are being utilised as Consultants. The representatives of NISG have studied the systems in the DRTs/DRATs and the Departments is in the process of issuing Request for Proposals (RFP) and the implementing Agency will be finalised shortly. With the implementation of e governance project, all processes in these Tribunals will be computerised. The system would involve registration of the applicant and on line submission of applications/all documents by the registered applicants, on line issue of notices, orders and e auctions. The system would also provide for hearing of cases through Video Conferencing, where ever required.
