Rama Krishna            Shri Manish Agarwal</p> <p>A Division Bench of the Hon'ble High Court of Delhi on 31.5.2011, heard the case and reserved the pronouncement of the judgement. It pronounced its judgement on 30th September, 2011 which is, inter alia, as under:</p> <p>"Para 37- The intention of the legislation in enacting - Section 21-D of the Chartered Accountants Act, 1949 is to draw out or make a distinction between the cases pending before the Council on a complaint or on information, and ensure that the amended provisions would apply to a fresh complaint or information and the unamended Act will apply to the pending complaints or information. It is inconceivable and there is no good reason or cause why distinction should be made between 'information' and 'complaint' for the purpose of deciding whether the amended or unamended provision would apply. The legislation intent behind incorporating Section 21 D is to make the legal position beyond doubt or cavil so that there is no dispute. Even under Section 6 of the General Clauses Act the position is the same. In these circumstances, we would prefer the interpretation placed by the appellant on the word 'complaint' as used in Section 21D. The word complaint includes information cases which were pending before the Council on 17th November, 2006. In the facts of the present matter as discussed above, proceedings or complaint in the form of information was pending before the council on 17th November, 2006 and accordingly the unamended provisions will apply."</p> <p>"Para 38- In view of the aforesaid reasoning, the present appeal is allowed and it is held that the procedure prescribed by the amended C.A. Act, 1949 i.e. Sections 21, 22 and 22A would be applicable to pending proceedings in information case and not the procedure prescribed after the amendment made by the Chartered Accountants (Amendment) Act, 2006. As already held above, the appellants have not challenged the other findings and directions given by the learned Single Judge. The appeal is</p>
