Annex I
Security Exceptions

1. The Parties confirm the following understanding with respect to interpretation and/or implementation of Article 24 of this Treaty:

   a) the measures referred to in Article 24.3 are measures where the intention and objective of the Party imposing the measures is for the protection of its essential security interests, and in the case of India, the applicable measures referred to in Article 24.3 are currently set out in the regulations framed under the Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder. India shall, upon request by the other Party, provide information on the measures concerned;

   b) where the Party asserts as a defence that conduct alleged to be a breach of its obligations under this Treaty is for the protection of its essential security interests protected by Article 24, any decision of such Party taken on such security considerations and its decision to invoke Article 24 at any time, whether before or after the commencement of arbitral proceedings shall be non-justiciable. Such a conduct shall not be open for review by any arbitral tribunal.
Annex II
Code of Conduct for Arbitrators

1. Every arbitrator appointed to resolve disputes under this Treaty shall, during the entire arbitration proceedings, be impartial, independent and free of any actual or potential conflict of interest.

2. Upon nomination and, if appointed, every arbitrator shall, on an ongoing basis, disclose in writing any circumstances that may, in the eyes of the disputing Parties, give rise to doubts as to her/his independence, impartiality, or freedom from conflicts of interest. This includes any items listed in paragraph 10 of this Annex and any other relevant circumstances pertaining to the subject matter of the dispute, and to existing or past, direct or indirect, financial, personal, business, or professional relationships with any of the Parties, legal counsel, representatives, witnesses, or co-arbitrators. Such disclosure shall be made immediately upon the arbitrator acquiring knowledge of such circumstances, and shall be made to the co-arbitrators, the Parties and the appointing authority, if any, making an appointment. Neither the ability of those individuals or entities to access this information independently, nor the availability of that information in the public domain, will relieve any arbitrator of his or her affirmative duty to make these disclosures. Doubts regarding whether disclosure is required shall be resolved in favour of such disclosure.

3. A Party may challenge an arbitrator appointed under this Treaty:
   a) if facts or circumstances exist that may, in the eyes of the Parties, give rise to justifiable doubts as to the arbitrator’s independence, impartiality or freedom from conflicts of interest; or
   b) in the event that an arbitrator fails to act or in the event of the de jure or de facto impossibility of the arbitrator performing his or her functions, provided that no such challenge may be initiated after fifteen days of that Party: (i) learning of the relevant facts or circumstances through a disclosure made under paragraph 2 of this Annex by the arbitrator; or (ii) otherwise becoming aware of the relevant facts or circumstances relevant to a challenge under this paragraph; whichever is later.

4. The notice of challenge shall be communicated to the other Party, the arbitrator who is challenged, the other arbitrators and the appointing authority under Article 19.5, if any. The notice of challenge shall state the reason(s) for the challenge.

5. When an arbitrator has been challenged by a Party, the other Party may agree to the challenge. The arbitrator may also, after the challenge, withdraw from his or her office. In neither case does this imply acceptance of the validity of the grounds for the challenge.

6. If, within 15 days from the date of the notice of challenge, the other Party does not agree to the challenge or the challenged arbitrator does not withdraw, the Party making the challenge may elect to pursue it. In that case, within 30 days from the date of
the notice of challenge, it shall seek a decision on the challenge by the appointing authority as specified under Article 19.5.

7. The appointing authority as specified under Article 19.5 shall accept the challenge made under paragraph 3 of this Annex if, even in the absence of actual bias, there are circumstances that would give rise to justifiable doubts as to the arbitrator’s lack of independence, impartiality, freedom from conflicts of interest, or ability to perform his or her role, in the eyes of an objective third party.

8. In any event where an arbitrator has to be replaced during the course of the arbitral proceedings, a substitute arbitrator shall be appointed or chosen pursuant to the procedure provided for in this Treaty and the arbitration rules that were applicable to the appointment or choice of the arbitrator being replaced. This procedure shall apply even if during the process of appointing the arbitrator to be replaced, a Party to the arbitration had failed to exercise its right to appoint or to participate in the appointment.

9. If an arbitrator is replaced, the proceedings may resume at the stage where the arbitrator who was replaced ceased to perform his or her functions unless otherwise agreed by the Parties.

10. A justifiable doubt as to an arbitrator’s independence or impartiality or freedom from conflict of interest shall be deemed to exist on account of the following factors, amongst others:

   a. The arbitrator or her/his associates or relatives have an interest in the outcome of the particular arbitration;

   b. The arbitrator is or has been a legal representative/advisor of the appointing Party, or any of its entities, in the preceding three (3) years prior to the commencement of arbitration;

   c. The arbitrator is a lawyer in the same law firm as the counsel to one of the Parties;

   d. The arbitrator is acting concurrently with the lawyer or law firm of one of the Parties in another dispute;

   e. The arbitrator’s law firm is currently rendering or has rendered services to one of the Parties, or any of its entities, out of which such law firm derives financial interest;

   f. The arbitrator has received a full briefing of the merits or procedural aspects of the dispute from the appointing Party or her/his counsel prior to her/his appointment;

   g. The arbitrator has publicly advocated a fixed position regarding an issue on the case that is being arbitrated.
11. The Joint Committee shall by mutual agreement and after completion of their respective procedures adopt a separate code of conduct for arbitrators to be applied in disputes arising out of this Treaty, which may replace or supplement the existing rules in application. Such a code may address topics such as disclosure obligations, the independence and impartiality of arbitrators and confidentiality.
